Welcome to Berlin

Berlin does not need much presentation. History, architecture and a vibrant cultural scene, Berlin has them all. The city has also Germany’s largest concentration of universities, colleges and research institutions. The NMR, MRI and EPR community got together to organize a stimulating meeting.

Posters & Abstracts

There will be two poster sessions during the meeting (September 30, October 1). Oral poster presentations will be selected from contributed abstracts.

Submission of Papers

Please submit your scientific contribution exclusively at www.fmp-berlin.de/fgmr2014

No revisions or corrections will be made by the scientific committee. After a successful transmission you will receive a reference code for each submitted paper and a few days later a confirmation of receipt. The scientific committee reserves the right to accept or reject papers, and to assign them to oral or poster contribution.

Conference Registration

Online registration will be available at www.fmp-berlin.de/fgmr2014

**Conference Venue**

The main conference will be held at the biomedical Research-Campus Berlin-Buch in the North-East of Berlin. The campus is home to the Leibniz-Institut für Molekulare Pharmakologie – FMP and the Max Delbrück Center for Molecular Medicine - MDC. The MDCC – Max Delbrück Communications Center, one of the most modern congress centers in Berlin, is in the middle of the campus and will host the FGMR2014. To reach the conference venue from the city center, take S2 to Buch (direction Bernau), then change to bus 353. The satellite meeting will take place in the historic Leibniz-Saal of the Berlin-Brandenburg Academy of Sciences (BBAW), which is located at Gendarmenmarkt, in the heart of Berlin.
